Andrew,

Please find the CFAC Phase I SAP attached.

Mike,

I am forwarding to Andrew because I have been very busy and unable to review the document as requested. I think it might be better for you and the CFAC project if Andrew takes the lead.

Thank you,

Ian Bowen

Hello All,

It was nice touching base with all of you yesterday. I appreciate the offer to help where and when you can. I have attached is the Phase I Site Characterization SAP we discussed. I will be sending a copy of the RI/FS Work Plan under a different email. Please let me know if this does not come through.

Thanks,
Mike
